Subject: EPA Proposed Rule-NPL Listing

Bill:

I wanted to let you know that EPA's proposed rule regarding the listing of the Anaconda Aluminum Co Columbia Falls Reduction Plant site on the National Priorities List was published in today's Federal Register. The public comment period is now open for sixty days. I have notified counsel for both potentially responsible parties, Columbia Falls Aluminum Company and ARCO, of the proposed rule. Attached please find a copy of EPA's proposed rule for your information. Thank you.
